

HC Language Solutions: Your tool for communication

When it comes to translation services, there's only one company to remember: HC Language Solutions. With over 20 solid years of growth, a 2,900-plus-strong network of highly qualified translators spanning 50 languages, and an ever-expanding portfolio of specialties, we understand the business and demands of translation like no one else.

Now, on the heels of our public offering in 2006, we're bringing our expertise to the U.S. Our newest office, right in the heart of Silicon Valley, will leverage our network of offices in Japan while making further inroads into American markets. Translation: We've arrived.

Imagine assigned, full-time coordinators who specialize in your industry and work with you every step of the way. Imagine your projects customized to your requirements no matter how big or small the job. Imagine a network of specialists on staff, from native speakers to PhD holders, who proofread the work so that the quality and tone is absolutely right. With HC Language Solutions it's all part of the process.

When you want unrivaled expertise, service, turnaround, and value, you can count on HC Language Solutions. Call us when you want your voice to *be heard*.
